- **Location** is Fairwind Farm, 2276 Crane Canyon Road, Santa Rosa, CA 95404

## ♥ Sue Curry Forever in Our Hearts ♥

December 30, 1953- April 25, 2021

**Sue will forever still be part of Fairwind Farm, her legacy.**

Sue passed away in her sleep of a heart attack. Just the day before she was coaching students at a show and judging in a virtual online show.

Sue leaves a big void in the American dressage community. She was known for her empathic and positive approach and brought the best out in riders and horses. "Her kindness and generosity of spirit have touched all of us," said retired international dressage judge Axel Steiner.

Sue Curry was a USEF "S" Dressage Judge and an FEI \*\*\*Para Equestrian Judge, a member of the L Faculty. She owned Fairwind Farm in the beautiful wine country of Santa Rosa, CA. Sue

and her students were successful for many years in all levels of dressage from Training Level to Grand Prix. Sue was instrumental in helping many of her riders achieve their goals with multiple students earning their Bronze, Silver and Gold Medals. She competed at the FEI levels for over 20 years, and had multiple horses in the top ten nationally.

Sue was a sought-after clinician and respected judge. She served as assistant director for the USEF Para Equestrian Forum at the Dressage Affaire in Del Mar; commentator for both the Dressage Affaire and for Dressage in the Wine Country. She was a successful breeder of Oldenburgs.
